

NEW FUNDING ANNOUNCEMENT

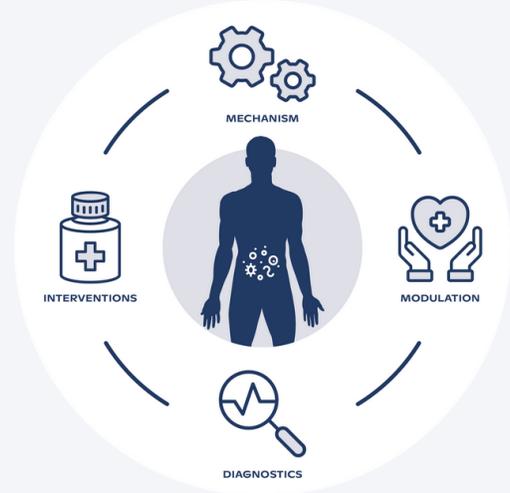

Weston Family
Foundation

Proof-of-Principle 2024:

Microbiome biomarkers of disease and response

Up to \$300,000 in funding per grant over a maximum of 30 months. Supporting high-impact projects that seek to identify, validate, or apply microbiome-based biomarkers of disease and therapeutic response.

ELIGIBILITY CRITERIA

Principal Applicants must be:

- At or above the level of Assistant Professor or a postdoctoral fellow with an appropriate supervisor co-applicant.
- Working in Canada at least 50% of the time.
- Affiliated with a Canada Revenue Agency-qualified donee institution located in Canada.

Projects will:

- Build on compositional or functional microbiome biomarkers (preferred) and established responder/non-responder phenotypes.
