

NEW FUNDING OPPORTUNITY

Weston Family
Foundation

Northern Conservation Program

Grants from \$450,000 to \$1,500,000
for projects up to 3 years in length.

Supporting Northern conservation projects that will deliver tangible, realistic results focusing on:

- The establishment of land and ocean protected and conserved areas.
- Stewardship measures that support the conservation of northern biodiversity.

Projects must be led by an Indigenous institution, agency, or community, or by an organization partnered with the necessary Indigenous institutions or communities.

Interested?

Deadline for letter of intent submissions is November 26, 2024 at 3:00pm ET.
