

NEW FUNDING ANNOUNCEMENT

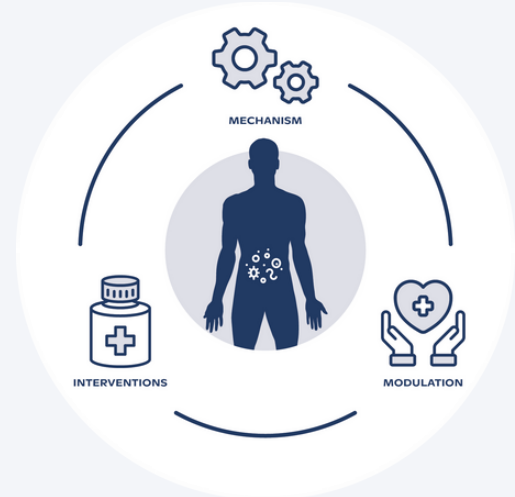

Weston Family
Foundation

Proof-of-Principle 2025:

Microbiome-based interventions

Up to \$300,000 in funding per grant over a maximum of 30 months. Supporting high-impact projects that seek to investigate interventions to modulate the microbiome, improve health outcomes and enhance therapeutic response.

ELIGIBILITY CRITERIA

Principal Applicants must be:

- At or above the level of Assistant Professor.
- Working in Canada at least 50% of the time.
- Affiliated with a Canada Revenue Agency-qualified donee institution located in Canada.

Projects will:

- Identify and develop a microbiome-based intervention to improve health outcomes with the potential to expand on these findings in large clinical studies.
